FLAGLER GUN CLUB 2026 SKEET LEAGUE

Starts on Saturday, January 24th, 9:00 AM. Cookout and prizes on March 7th.

Fields not in use for league remain open for practice. League shooters get field priority.

Shoot on Saturday for score, 1/24 – 2/28. Six Saturdays to complete ten rounds total.

Shooting ahead and catching up is allowed, if done on one of the six scheduled Saturdays.

You do not have to attend every week as long as you complete ten rounds by 2/28.

The seventh week, 3/7, will be for shoot-offs, cook-out, door prizes, and awards.

Squadding based on arrival time. Saturday hours may be extended if needed.

Shoot in any weather except lightning.

If ten rounds aren't completed, missing rounds will be scored as your average minus two birds.

Score sheets must be turned in each day and are final when turned in. Review and resolve any scoring questions with your referee before sheets are turned in. No changes.

Shooters allowed two malfunctions per round. Bad ammo, safety on, balk, gun failure, etc.

After that, any bird called for and not shot at will be considered lost (a miss).

Exceptions for broken birds or a blatantly bad pull, but if you shoot at it, you own it.

Declare starting handicap, based on your average score. Director's discretion on all handicaps.

Handicaps will change, based on a rolling average of your scores during league.

Maximum score with handicap is 24 unless you actually shoot a 25.

Ties will be broken with shoot-offs on March 7th. Sudden death, regular, or doubles to be decided at that time.

\$100 entry (\$150 guests) cash or check. Pay at the skeet hut during regular hours, preferably before 1/24. Cash or check payable to Flagler Gun Club. No online payment or credit cards.

Entry is limited to the first sixty paid shooters. \$50 of each entry goes towards prizes and covers the costs of cookout and trophies. Balance goes to club for targets.

Door prizes including guns to be awarded on 3/7. Any shooter in this year's league could win. You must shoot in league to be eligible. Door prize entries are not for sale. Winners must meet all legal eligibility requirements to receive a gun. You do not need to be present on 3/7 to win a gun. Smaller door prizes are for those in attendance on 3/7.
